

# Alder Coppice Primary School — Knowledge Organiser

Subject: **History**

Year: **1**

Unit 1: Toys through the ages

Links to: EYFS Past & Present

## What I Should Already Know:

Grandparents

Parents

Me

## Subject Vocabulary:

**Past** - gone by in time/no longer

**Present** - now.

**History** - past events

## Unit Specific Vocabulary:

Old New

Plastic

Metal

Wood

Antique

## What I should know by the end of the Unit:

- Know how some things differ and others stay the same through time.
- Know that the lives of our parents and grandparents differed from ours in many ways
- Know how to organise artefacts by age
- Materials used to create toys changed as different technology developed

## Skills & Enquiry:

Find out how things change with the passing of time

Analyse how we find out about the past

Analyse simple historical sources (toys from the past)

Compare and contrast life in the past to now

## Key Facts :

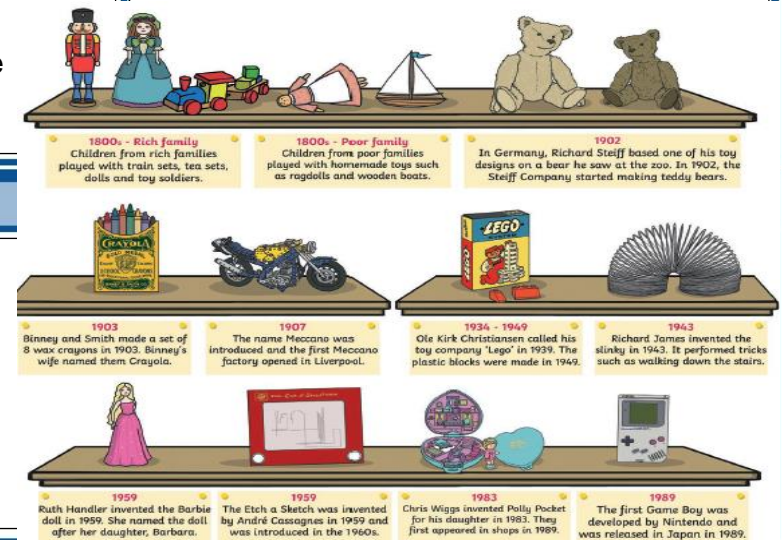

Victorian toys

Made from wood

Modern toys

Made from Plastic

**Key Facts:**

Toys are very different today compared to the past

Most old toys were wooden

Plastic toys were not made in the past

Our grandparents probably played with these.

Question 1: What were early toys made from?

A) Wood

B) Plastic

Question 2: What material are most modern toys made from?

A) Wood

B) Plastic

Question 3: Why did lots of children not have toys in the past?

A) Because they were poor

B) Because they didn't like them

Question 4: Name or draw a toy your grandparents may have played with
