

ALDER COPPICE PRIMARY SCHOOL

Achievement through Commitment

Headteacher: Mr P Mandelstam

13 March 2026

Dear Parents,

RECEPTION – YEAR 6 EASTER EGG COMPETITION

It is once again one of the most egg-citing times of the school year. We are pleased to announce that our annual Easter Egg Competition is once again running for all children from Reception to Year 6.

Children must create their **eggs-hibit** at home. As usual, the theme they choose is entirely up to them: it could be television based, topical, Easter, spring/seasonal or even about school life. The size of their creation and the materials used are purely up to them, but their design should include at least one real (hard boiled!) egg **and they must be able to carry their model into school by themselves**. Children may work independently, or they may choose to work with a friend or sibling, but they should only submit one entry.

This year, the children must bring their models into their classroom on the morning of Thursday 26 March. **Please note that late entries will not be able to be considered because judging will take place first thing in the morning.**

The children will also have an opportunity to view each other's work across their Year Group.

A winner will be selected from each class. There will also be an overall winner and 2 runners-up from both Key Stages.

We hope lots of children take part, and as always, we look forward to seeing just how imaginative and creative our pupils can be! Remember to look out on our website and Facebook page for images of the winning designs and other entries.

Yours sincerely

Joanne Randall
