Dear Parent,

## **ALLERGY HEALTHCARE PLANS**

As of September, any child with an Allergy is required to have an Allergy Healthcare Plan in School.

Your child has currently been identified in our medical records as having an allergy (even though this may still be under investigation).

To help us ensure that we have all of the relevant and up-to-date information to support your child in school and provide them with the correct treatment if required, we would appreciate you completing the attached form in as much detail as possible.

If you could email the completed Form to [admin@alder.dudley.sch.uk](mailto:admin@alder.dudley.sch.uk) by Tuesday 1 September, we can then review the full Care Plan and share this with you.

Please do not hesitate to get in touch should you have any further questions or wish to discuss your child's Allergy Plan in further detail.

Yours Sincerely

*Joanne Randall*
