

ALDER COPPICE PRIMARY SCHOOL

Achievement through Commitment

Headteacher: Mr P Mandelstam

8 October 2025

Dear Parents

Reception Maths Information session

We always get such great feedback after the Phonics information session for parents that this year we are inviting you to join us for a similar session based around Maths.

On Wednesday 22 October at 2pm - 2.50pm we would like you to join us in the Lower School Hall for a session where we will explore what Maths looks like in Reception and share the strategies we teach in Reception that follow the children into Year 1.

Please complete the Microsoft Forms link sent in the email with this letter to indicate if you are able to join us. Please complete this by **10am Thursday 16 October**.

Due to the nature of the session, we do ask that alternative arrangements are made for younger siblings wherever possible so that parents are able to access the session without disruption. However, if you are unable to organise childcare, we are happy for you to bring younger siblings along to avoid you missing the session. We would just kindly ask that you take them out of the hall if they become restless and are preventing others from accessing the session.

The session will start at 2pm with entry via the main office from 1.50pm.

We are really looking forward to you joining us for this session. The home support so far has been amazing so this will be another way you can support us at home.

Yours sincerely

Mrs Bown
