

10 September 2025

Dear Parents,

**Invitation to Phonics Information Session
Monday 22 September 2025 – 3.20pm**

In Reception we start every day with a 20-minute Phonics session where we teach vital reading and writing skills. We really value your home support, so to enable you to fully support us with this important part of your child's learning we would like to invite you to join us for a Phonics information session where we will share with you how we teach Phonics in school and offer ideas of how you can support us at home.

The session consists of a short presentation (approx. 30mins) in the Lower School Hall.

This is an important and informative session, therefore we ask that there are no children present in the hall. We can offer childcare for Reception children or siblings of school age or you can make alternative arrangements if you wish. If you are staying for the meeting, you do not need to collect at 3.05pm but go and wait outside the main school hall. You will be let in as soon as Year 1 and Year 2 children have been collected at 3.15pm. If you would like us to look after older siblings please collect them from their usual home time and bring them with you to the Lower School Hall where we will take them from you. **We cannot look after younger siblings.**

Please complete the link sent with this email by **9am Thursday 18 September.**

We look forward to seeing you and hope you will find the session useful.

Yours sincerely

J Bown
