Dear Parents,

Year 1 Local Area Walk

This half-term the children have been busy investigating our new Geography project which explores our local community. We have been using aerial photographs and constructing simple maps of where we live.

As part of this project, on the afternoon of Wednesday 24 September, weather permitting, we have planned to go on a short walk around our local area. We will be following a planned route which will enhance the children's understanding of their community. This walk is a great opportunity for the children to explore their surroundings, develop a curiosity of the world around them and get some fresh air. If you have any questions, feel free to contact us.

Thank you

The Year 1 Team
