Dear Parents

Year 2 Shared Learning Experience – Class 2C

We would like to invite you to join us on **Monday 20 October** to spend some time with your child here in school to share together the amazing learning they have been doing in Year 2.

During the session you will, together, take part in a range of activities linked to the learning taking place in class. You can also spend some time looking at your child's books with them; we know you will enjoy showing them how proud you are of their hard work!

The session will run as follows: -

- 1:35 pm - Come to school via the main office and meet in the hall.
- 1:40 pm - Join your child for a carousel of activities in the hall.
- 2:50 pm – End of session

So that we can accommodate up to 2 adults per child we will be basing our learning activities in the hall. The session will be a very special time for you and your child therefore we also ask that on this occasion you make **alternative arrangements for any younger siblings**. If for any reason you are unable to make this session and would like to ask someone else to attend, that would be great! These sessions provide a wonderful opportunity to engage in their learning and celebrate their progress. If, however, you are unable to attend, please be aware that your child may need to join the other Year 2 class for the duration of the session. Where possible, staff may be available to support them during the shared learning experience, although this will depend on our capacity at the time.

Thank you for your understanding and continued support.

If you have any queries with any of this, please do not hesitate to speak to a member of staff. To help make this straightforward we have created an online form (the link is in the email with this letter) Please **complete this Form by 10am Tuesday 14 October 2025**
