

22 May 2026

Dear Parents,

Show & Tell

As part of our partnership with parents and carers, one of the recent suggestions was to increase the opportunities for your children to share with the rest of their class something which is special to them.

We are, therefore, going to formalise our "Show & Tell" arrangements across Key Stage 1.

This will start with immediate effect, and every class will have a dedicated slot once a week, usually on a Thursday morning, for children to bring in an item to share. So that every child will have an opportunity to do this before the end of term, there will be 6 Thursday slots where 3 children in each class will be allocated a day, and 3 additional slots will be available to make sure all children are accommodated.

It would be helpful if you would support your child in choosing a special object (no live items please!) and to think about what they will say. As a guide we think that 3 - 4 minutes maximum per child will be most productive.

Highlighted on the reverse of this letter is the date for your child's allocated slot.

When your child has had their turn, they will receive one of our new, very exciting and colourful Alder Coppice Show & Tell Stickers.

We are very excited by this addition to our current sharing of news and activities out of school.

Should you have any questions please contact Mrs Bott via the office.

Yours sincerely,

Peter Mandelstam
