

ALDER COPPICE PRIMARY SCHOOL

Achievement through Commitment

Headteacher: Mr P Mandelstam

13 January 2026

Dear Parents,

Year 4 Maths Shared Learning Experience

As detailed on the Diary Dates, we are holding the above event and would like to invite you to join us on **Wednesday 28 January**.

During the session you will be able to take part in a range of Maths activities with your child that are linked to the learning taking place in Year 4.

The session will run as follows:-

- 9.00am - Come to school (enter via the office) and meet in the hall.
- Introduction and then join your child for a range of activities

10.15am – End of session

As this session is for the whole year group it will be based in the Lower School Hall. Due to this we ask that each child brings just **one grown up** to the session. The session will be a very special time for you and your child therefore we also ask that on this occasion you make **alternative arrangements for younger brothers and sisters**. If for any reason you are unable to make this session and would like to ask a grandparent or another family member to come, please do.

If you would like to attend, please complete the attached link sent in this email by 10am Friday 23 January. If we do not hear from you by this date, we will assume your child will not have an adult attending.

We really hope you will enjoy this experience and we are looking forward to welcoming you into school.

If you have any queries with any of this please do not hesitate to speak to a member of staff.

J Podmore
