

ALDER COPPICE PRIMARY SCHOOL

Achievement through Commitment

Headteacher: Mr P Mandelstam

19 May 2026

Dear Parent,

PUPIL LEADERSHIP TEAM

The children in Year 5 have today discussed the Pupil Leadership Team for the next academic year.

They have been informed of the different roles available and the sorts of activities and responsibilities that each of these has.

The children may select up to two roles that they would like to be considered for. They must then complete the Application Form for each of these. Pupils wishing to apply for roles will be given designated time in school to complete their application, but they may wish to consider their ideas at home in readiness for this. Pupils will then be given the opportunity to discuss their application with a member of staff before final decisions are made. Please note that although a child may apply for a role, it may be that members of staff feel that they are better suited to a different role and therefore this may be offered in place of a role they have applied for.

As with applying for jobs in real-life, obviously there are only a certain number of places to fill and therefore not all children will be successful in getting the role they apply for. If you feel that your child will be very disappointed and too upset by not gaining a role, please consider carefully whether they should apply. Please note that individual feedback will not be given on the process or selection or non-selection of children.

The children have also been informed that alongside Pupil Leadership, there are also lots of other jobs and responsibilities which will be available throughout the year: equipment monitors, delivering the lunch slips, meeting and greeting visitors at events, helping out at parent events and supporting younger pupils at breaktimes etc... Some children may prefer to be considered for one of these roles, although these are not allocated until the start of September.

If you have any queries, please contact me via the office.

Yours sincerely

Joanne Randall
