Achievement through Commitment

Dear Parents

YEAR 6 EVENTS

Given that Miss Rose will not be available for the residential next June and I am now leaving at Christmas we are having a “pause” with the residential visit. We do not feel it would be appropriate to go ahead with the planned briefings next week when there is uncertainty about what is possible to do. We will, therefore, not go ahead with the planned Year 6 Ahead Meeting for Events on Wednesday 14 October, as the residential was the substantial item for discussion.

What will happen now is we will look at the options available which may include the Wales visit as planned, a shortened version, an alternative adventure centre residential and check availability and costings and look at the staffing which would be required to carry these out. We will then update you and the children when we have a potential plan going forward. As with any residential visit the other determining factor will be the number of voluntary contributions we receive from parents.

In the meantime, we are including a separate letter which has all the confirmed dates which I have put in place for Year 6 so you can get these in your diary for the Spring and Summer terms.

We hope that you find the list of events helpful to plan ahead.

Yours sincerely

Peter Mandelstam
