

ALDER COPPICE PRIMARY SCHOOL

Achievement through Commitment

Headteacher: Mr P Mandelstam

8 July 2026

Dear Parents,

YEAR 6 PRODUCTION THURSDAY 9 JULY

A few reminders and notices about our much-anticipated Year 6 Leaver's Production, School Daze, which takes place tomorrow evening, 9 July.

You should have already received your seat allocation, and this will be checked on your arrival. Please queue by the main pedestrian gate which will open at 6.10pm. The performance is set to begin at 6.30pm.

A reminder that all children participating will be remaining in school to enable any last-minute rehearsals. This means that they will require a packed tea alongside a bottle which they can refill with water.

For those children attending secondary transfer today and tomorrow please can they be brought straight to school after their transition day has finished. Please make sure that they have a packed tea and drink with them.

Due to the extreme heat that is predicted, we will have a planned interval. This will enable the children and yourselves to have a hydration break. We will take the children back to the air-conditioned classrooms in Year 4 and you will be able to visit the Upper School Hall for refreshments and also to view the Wales residential photographs.

At the end of the Production the children will be taken back to the Y6 classrooms to collect their belongings and then they will then be dismissed to you from the front playground (similar to normal end of day pick-up). Please note that we will not allow children to make their own way home – there must be a named adult to collect them.

We look forward to what will be a memorable evening for both you and the children.

Mrs Randall
