SCHOOL MEALS BY STIR FOOD LTD.
JULY 2026

About Us

Stir.

let's eat, together

Stir Food is delighted to be the chosen caterer that will provide lunchtime meals to the children at Alder Coppice Primary School. We're really looking forward to welcoming them into the dining room and serving them delicious, home-cooked food.

Full of Flavour and Fun

We pride ourselves on serving food to our customers that they love to eat. We involve them in designing our menus and take feedback into account to make sure that every single dish we create is just right for our young customers.

The food children eat at school plays an important role in their wellbeing, and eating a well-balanced diet not only helps to maintain and improve their health but also sets them on the right track for later life. We really understand this and that's why we're passionate about serving fresh, high quality and locally sourced food that is prepared and cooked in our kitchens, so we can guarantee they are healthy and balanced.

We also love to add some fun to the dining room - most of us have strong memories of our school lunches and we want to make sure those memories are positive. Therefore, we work hard to create dining experiences that are welcoming, warm, social and fun. We want our customers to look back at their school lunches and not only remember eating delicious food, but also having a great time with their friends!

About Us

Fresh and Local

We are proud supporters of local and regional farmers. There are so many incredible producers right on our doorstep so we make the most of it! This has lots of benefits, including supporting the local economy, safeguarding local jobs, telling important stories about local farming families and of course, ensuring we've got the best, freshest ingredients on our menus!

It also helps us to be sustainable - we are passionate about enhancing our customers' lives and that means helping combat climate change to support their futures. We use local, seasonal, traceable ingredients in our menus to reduce the carbon footprint of our services.

Free Lunches!

Free School Meals are a fantastic way to ensure children enjoy a delicious, nutritious and filling meal every school day.

All children in Reception, Year 1 and Year 2 are automatically entitled to free meals through the Universal Infant Free School Meals scheme. Children in Year 3 and above may also be eligible depending on their family's circumstances.

There are lots of benefits to registering for Free School Meals:

- Your child receives a healthy, balanced meal each school day.
- Our menus are carefully planned to provide the nutrition children need to learn and thrive.
- Eligible families can save money on school meal costs.
- Schools receive additional funding through the Pupil Premium, helping to provide extra support, resources and opportunities for pupils.

Important Change from September 2026

From September 2026, all families receiving Universal Credit will be eligible for Free School Meals.

If your child is in Reception, Year 1 or Year 2, they will already receive free meals. However, registering your eligibility can still help your school access valuable additional funding through the Pupil Premium and will ensure everything is in place when your child moves into Year 3.

Checking eligibility is quick and easy and could unlock additional support available in your area. To find out if you qualify, visit: <https://fsm.lgfl.net/>

If you have any questions, please contact your school office, who will be happy to help.

Feed Their SUPERPOWERS
Free School Meals are Expanding

From September 2026, all children in households receiving **Universal Credit** will be eligible for **Free School Meals**.

Check Your Eligibility
fsm.lgfl.net

Why Check?

- Free, healthy school meals every day
- Could save families **hundreds of pounds** each year
- Extra funding for your child's school
- Access to extra support and activities in some areas

Reception, Year 1 or Year 2?
Good news - your child already receives a free school meal every day.

If your family is eligible, registering now helps:

- Make the move into Key Stage 2 seamless
- Ensure you don't miss out on extra support for your family

Don't Miss Out
Check today and make sure your child gets everything they're entitled to.

The infographic features a superhero theme with a blue and red superhero silhouette, a QR code, and a circular seal that says 'FEED THEIR SUPERPOWERS'. The background is light blue with white stars and a stylized cloud.

Food for Everyone

Many parents believe their child can't have school meals because they have a special dietary requirement, such as an allergy or intolerance. We believe that every child should be able to enjoy a delicious school lunch that is safe and healthy for them to eat. We can provide meals for a very wide range of dietary requirements, from cultural or religious requirements to medical requirements.

We have a lot of experience in this area, as we already cater for many children in our schools who need specialised menus, whether it's egg-free, gluten-free, carb counted, vegan, Halal or more. We also cater for children with swallowing difficulties, who need softer foods. Therefore, you can be confident that your child will have a menu available so they can experience school meals alongside their peers!

We have robust food safety procedures, allergy policies and regular training sessions for our staff, to ensure we do this safely. We also have experts within our business who can provide support, from our Health and Safety team to our Head of Nutrition.

It's important that we get a chance to speak to parents or carers of children who require special diets. This helps us understand the child's requirements and means we can work together to create a bespoke menu. It also means you can ask us questions, talk about any concerns and understand how we keep your child safe. We sometimes need details from a medical professional such as a GP, but we will let you know in advance if this is the case.

Please get in touch with the school or our catering team if you would like to discuss a special menu to cater for your child's dietary requirements.

Food Education

We know we have a responsibility to help our customers develop healthy habits that they can take on into later life. Our menus give children great insight into a healthy, balanced diet, but we know that's not enough.

For that reason, we've worked hard on a plan to help our schools teach their children about food, nutrition and a healthy lifestyle. This takes many forms, including cookery workshops with our catering team, nutritional assemblies and some fun activities during lunchtime and beyond!

We also have regular 'theme days', which enable us to showcase different cuisines and just add some fun! Theme days are fun lunchtime experiences with special menus designed to add some excitement to the day.

We travel the globe, with menus from Mexico to Malaysia, India to Italy, Japan to Jamaica. We also celebrate events like Wimbledon, Easter, Diwali, Eid and much more give children a taste of the traditional foods associated with each celebration.

Going Green

Care for the communities we work with and respect for the environment we live in is really important to us.

As a school caterer, we have a duty to play a part in educating our young customers about sustainability and setting an example of how we can care for the environment.

We train our teams on how to conserve energy and we reduce food miles through our use of regional suppliers and fresh, seasonal produce.

We ensure that all of our suppliers are also acting sustainably and work with them to introduce new ideas, products and innovations. We seek out suppliers with accreditations such as Red Tractor, British Lion, MSC- approved and Fairtrade, to really drive an environmental focus across all parts of our business.

Some ideas we've introduced over the last few years include:

- Having our used cooking oil collected and converted into bio-fuel
- Reducing our use of single-use plastics and using biodegradable or compostable alternatives wherever possible
- Offering more plant-based options to reduce the environmental strain of the meat industry.

Why choose School Meals

We think there are loads of great reasons to choose school meals for your child:

- Our recipes and menus have been created by passionate, creative and experienced chefs who ensure that they're delicious and full of flavour, whilst still being balanced and healthy.
- Our staff are thoroughly trained in Health and Safety and Food Safety, to prepare meals with your child's wellbeing as the top priority, including if they have special dietary requirements.
- It saves parents and carers hours making packed lunches each week (giving you more quality time with your family!)
- We work in partnership with our schools and their families to make sure that our catering service meets your specific wants and needs.
- Our school meals offer fantastic value for money, as children get hot and filling meals for excellent prices. They could even be free if you are entitled to Free School Meals! Check here - www.gov.uk/apply-free-school-meals
- Children who are entitled to Free School Meals receive exactly the same choice as their peers and no-one will ever know they are eligible - it's easy to apply and our team can provide information and support
- The healthy eating habits and social skills children pick up in our restaurants help to enhance their future as they take this on into their adult lives, setting them up for a healthy, happy life.
- We have experience working with fussy eaters and can help your child in their journey of trying new foods!
- Through the Pupil Premium, you could be supporting your school to get extra funding!
